## BRIEF BACKGROUND

Salay Handmade Paper Industries Foundation, Inc.(SHAPII FOUNDATION) evolved as the social arm of the business enterprise, Salay Handmade Paper Industries, Inc. in Salay, Misamis Oriental, Philippines.

Registered with SEC in year 2000 originally with 50 SHAPII stockholders, it grew and undertook varied developmental activities when needed to attain the Foundation's aim of holistic development in the grassroot, first within the community of Salay, then radiating to neighboring towns in Eastern Misamis Oriental. Now, it has a membership of 80 in June 2008.

Despite its limited resources, the Foundation is steadfast in its operation with a self-reliant stance even as it is being supported by its mother company while it learns how to operate independently day by day.

Its small resources are no hindrance to its big dream to be a sustainable and potent agent of change for the economic betterment of our country, especially in the rural areas.

On June 30 2008, it was given accreditation as a donee institution by the Philippine Council for NGO Certification (PCNC).
